

LEAD-FORTE GATE COLLEGE

LEKKI

VOLUME 1, TERM 1 2025/2026 SESSION. DECEMBER, 2025

NEWSLETTER

Dear Esteemed Parents and Guardians,

Thank you for your consistent support throughout the First Term. It was a productive term marked by meaningful learning and steady progress across all classes.

The term opened with a successful Orientation Week that helped students settle in, followed by our Anti-Bullying Week, which reinforced values of kindness, respect, and a safe school environment.

Academic work went smoothly, and teachers remained committed to delivering quality instruction, while co-curricular and character-building programmes enriched students' overall development.

We appreciate your partnership and trust in Lead-Forte Gate College. We look forward to an even better Term 2 filled with growth and new opportunities.

Warm regards,

Adewale Benjamin
Ag. Principal

ORIENTATION PROGRAMME

Our Orientation Week was a resounding success as both new and returning students enjoyed a rich, well-structured programme designed to ease them into the new academic session.

The week-long activities included team-building sessions, academic briefings, and interactive workshops with key staff, helping students understand school expectations and resources available to them. The event culminated in an exciting trip to the Lekki Conservation Center, where our new students bonded and explored nature. Overall, the programme helped students settle in fully, build confidence, and prepare for the rigorous and rewarding work ahead.

INDEPENDENCE DAY CELEBRATION

This year, we proudly celebrated Nigeria at 65 with a colourful and culturally enriching ceremony that highlighted the nation's unity and diversity. Students were grouped into the six geo-political zones and showcased each region through traditional dances, music, fashion parades, and insightful presentations. The event fostered a deeper appreciation of Nigeria's heritage, reminding our students of the importance of patriotism, peace, and nation-building. It was truly a joyful day filled with pride and cultural expression.

INDUCTION OF PREFECTS & ACCOLADE ASSEMBLY FOR 2024 / 2025 SESSION

We joyfully celebrated the induction of our new prefects—the student leaders entrusted with guiding and representing their peers for the 2025/2026 academic session.

The ceremony featured inspirational speeches, the official presentation of badges, and heartfelt pledges of service. These young leaders demonstrated confidence, humility, and readiness to take on their new responsibilities.

We congratulate our new prefects and look forward to the positive impact they will make as role models within our school community.

Our Accolade Assembly was held to honour students who distinguished themselves during the 2024/2025 academic session. Awards were presented in academics, character development, leadership, and extracurricular excellence, celebrating students who consistently went above and beyond.

Parents and staff in attendance were inspired by the remarkable achievements displayed across various categories. We remain proud of these outstanding achievers who represent the values of diligence, integrity, and excellence, and we hope their achievements will inspire others to aim high.

ANTI-BULLYING WEEK

As part of our commitment to fostering a safe, supportive, and inclusive learning environment, we observed Anti-Bullying Week with a series of impactful activities aimed at promoting kindness, empathy, and respect among students. The week featured themed assemblies, interactive discussions, classroom campaigns, and group activities that encouraged students to reflect on their words and actions. Students participated in role-plays, storytelling sessions,

and pledge-signing exercises that empowered them to stand against bullying in all its forms—physical, verbal, social, and online.

The programme reinforced the importance of speaking up, supporting others, and ensuring that every student feels valued, safe, and included. We are proud of the positive attitude our students demonstrated throughout the week, and we remain committed to building a culture where respect and compassion guide everyday interactions.

Clubs Update: Taekwondo & Fencing

This term, we introduced two exciting clubs, Taekwondo and Fencing—and we are pleased to report that both have been a huge success with impressive turnout and enthusiastic participation. Students have shown commitment to learning the techniques and discipline required for each sport, guided by experienced instructors.

Benefits of Taekwondo:

- Improves discipline, focus, self-control, and respect.
- Enhances physical fitness, flexibility, self-defense skills, and confidence.

Benefits of Fencing:

- Sharpens strategic thinking, concentration, and quick decision-making.
- Boosts agility, coordination, balance, and mental alertness.

These clubs have already added excitement and variety to our co-curricular life. We look forward to continuing them next term and introducing even more enriching clubs in the near future.

FORMAL DINNER

Our Formal Dinner—one of the most anticipated events each term—was truly memorable and elegant. For many new students who joined this academic session, it was their first time experiencing this cherished tradition. The evening began with a colourful red-carpet procession and photoshoots, capturing smiles, fashion, and excitement. Guests enjoyed a delicious spread of food and drinks, accompanied by soft music and inspiring performances. With dance sessions, games, and special recognitions, the night was filled with elegance, celebration, and unforgettable memories.

OUR CHRISTMAS CAROL

The Christmas Carol, our culminating event for the term, beautifully captured the theme “The Light of Christmas.” Students delivered wonderful presentations, including choir performances, instrumental renditions, drama sketches, spoken word pieces, and cultural displays. The atmosphere was warm and festive as families, staff, and guests joined in celebrating the joy and hope of the season. The event highlighted the creativity and talent of our students, making it a truly inspiring way to close the term.
